IT'S IN THE DETAIL

# Conference & Events

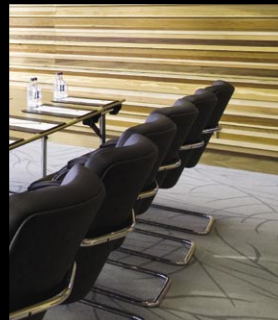

## **Introducing Crowne Plaza Blanchardstown Conference & Events.**

Crowne Plaza is setting new standards in conference and events facilities in Ireland. Whether you're holding a sales convention, board meeting or informal get-together with associates, your comfort and success are paramount.

We understand that you work better when you are more relaxed, which is why we have dedicated and experienced staff available to facilitate your every need leaving you in the knowledge that all you have to do is take care of business.

So for your next event make sure you meet with the professionals.

Crowne Plaza Conference & Events - built by Crowne Plaza, designed for you.

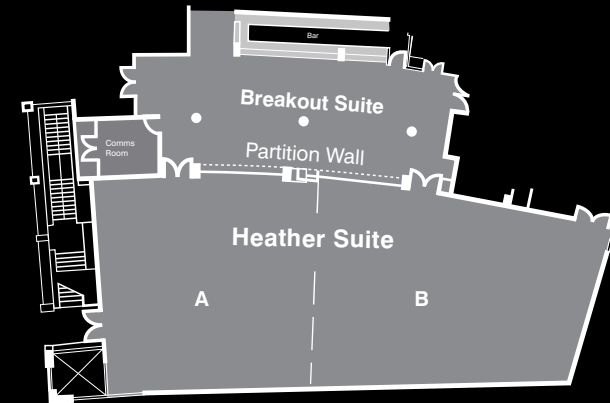

## The Heather Suite

Crowne Plaza Hotels are now widely regarded for their attention to detail and excellence in design and innovation. Set in contrast to its urban surroundings the Crowne Plaza's "Heather Suite" has been designed to reflect the natural beauty of Ireland's traditional landscapes. The carpets, soft furnishings and the impressive relief walls on either end have been inspired by Ireland's natural flora and fauna, thus offering a truly stunning and unique venue for your conferences and events.

The 450m<sup>2</sup> Heather Suite offers unique conference and banqueting facilities providing a capacity for up to 600 conference delegates in theatre style or 450 banqueting guests. Unique features of the Heather Suite include the Sky Fold partition doors, 3 phase power outlets, 4.5m high ceilings, natural daylight, a host of state-of-the-art facilities and the latest audio-visual technology.

The Conference Foyer offers an ideal pre and post conference reception area and is separated from the Heather Suite by a reclining London Wall which when open offers an additional 200m<sup>2</sup> of conference space.

## Accommodation

The 188 guest bedrooms and suites offer guests the very highest of international 4 star luxury and services. Split into two halves, north and south, rooms with a north facing aspect are coloured with deep rich reds and those with a south facing aspect coloured in tranquil blues.

Pillow top mattresses on 6ft king beds, power showers, air-conditioning and complimentary wireless broadband all contribute to ensuring you are relaxed and revitalised after your stay.

## Restaurants & Bars

We offer a range of food and beverage services to cater for both local and international tastes. The hotel's "Forchetta" restaurant serves a wide range of contemporary cuisine and with an Italian influence and excellent service is sure to satisfy even the most discerning pallet. Forchetta restaurant also caters for private dining groups of up to 50 people. Alternatively guests can relax in the casual surroundings of the Inca Coffee Lounge or the hotel's Sanctuary Bar with its extensive range of wines, beers and cocktails which come accompanied by a great choice in bar food.

## Meetings and Breakout Rooms

An additional 14 meeting and breakout rooms complement the main conference area and provide a choice of settings for your break out sessions, meetings and seminars. All rooms have natural daylight and provide the very latest of facilities and technology including UK&I, EUR & US power outlet sockets, complimentary WiFi and wired Broadband, Cisco IP telephones and full black out facilities.

The Meetings Reception and Breakout area located on the second floor have been ideally appointed to cater for tea & coffee breaks, working lunches and pre meeting receptions.

The Crowne Plaza's *Meeting Success*® promise provides meeting planners and attendees with a seamless meeting or conference programme. From first phone call until meeting wrap-up, a Crowne Meetings Director works directly with you throughout your planning process, so no matter what unique requests you have or last-minute changes pop up, your Crowne Meetings Director will have it all neatly in hand.

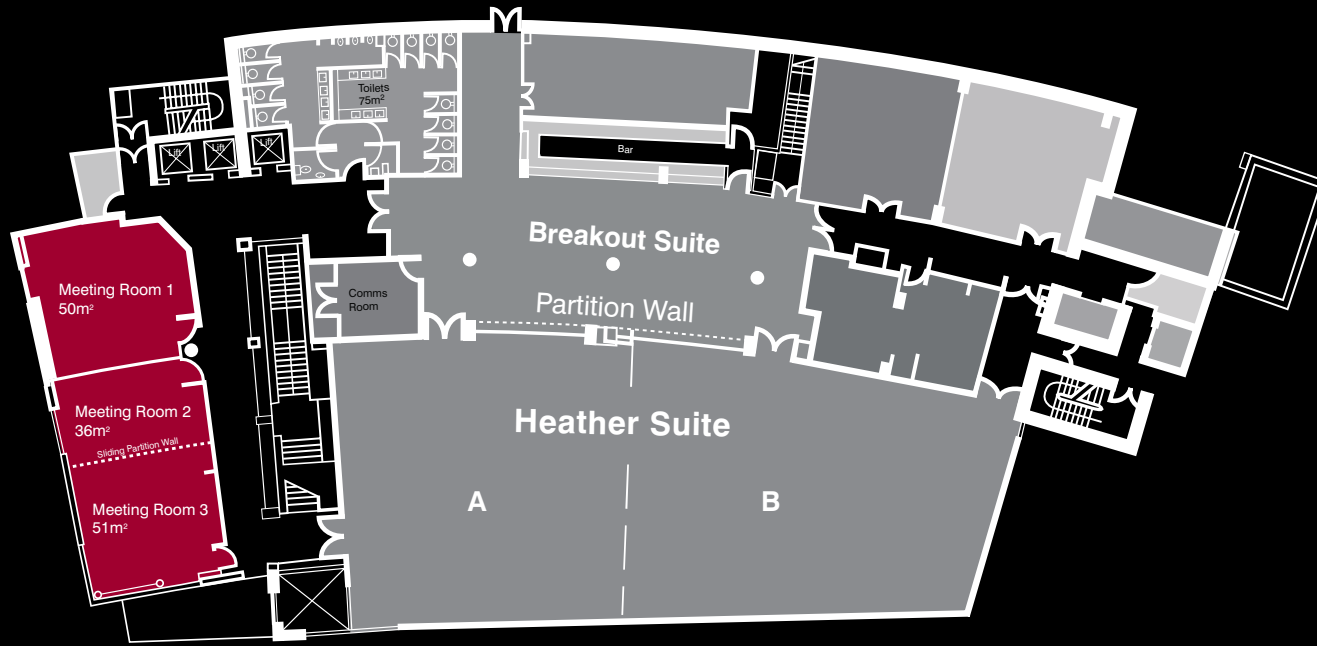

## Business Centre

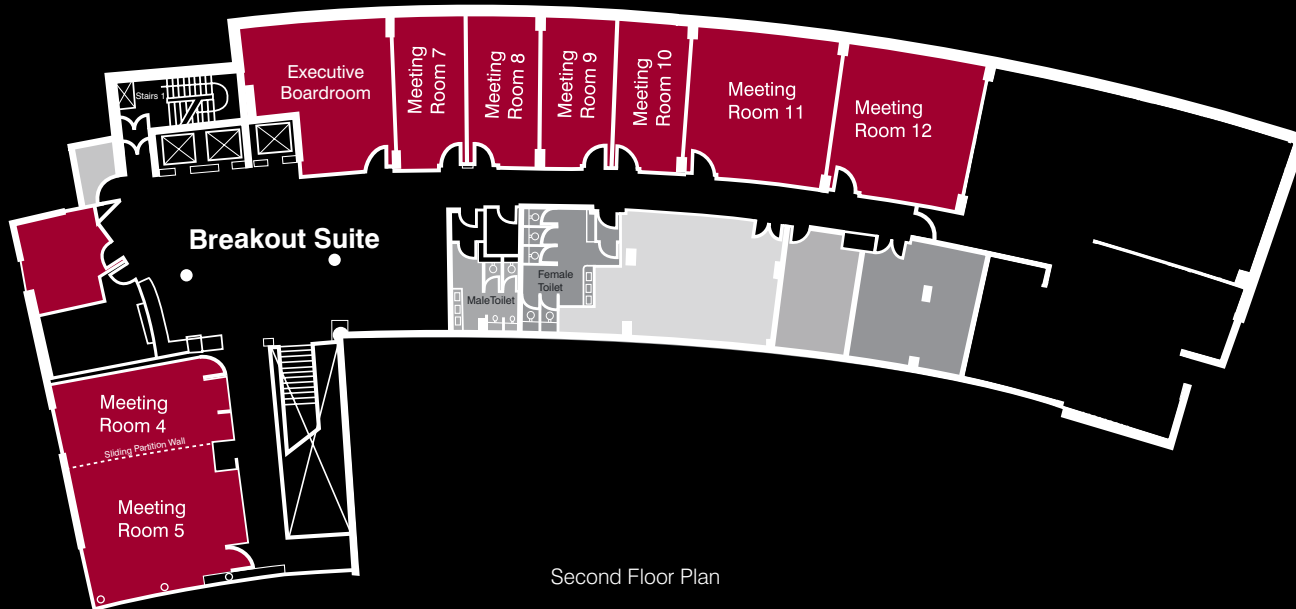

Located on the ground floor the business centre offers hotel & conference guests an internet café type facility and business services including faxing, photocopying and printing.
